Employer Feedback Analysis and Action taken on curriculum for Academic Year: 2022 -2023

EMPLOYER Feedback Analysis	Actions Taken
1. Certification courses like JAVA, .dotnet, VLSI, IC designing and networking etc... can be made mandatory	<ul style="list-style-type: none">Students are free to do the certification courses of their interest through NPTEL or other OCW and it is proposed to allot 2 to 3 hours a week for this in time table. Minimum one certification should be done by each student through MOOCS.
2. Work towards developing communication skills	<ul style="list-style-type: none">Communication skills Training is provided to students right from the first year.
3. Encourage students to improve coding skills and create awareness about latest technologies.	<ul style="list-style-type: none">courses involving latest technologies are chosen from the list of open elective courses and workshops are conducted from time to time. Guest lectures are also arranged and Skill development courses are arranged.
4. Industrial visits may be increased to get more exposure	<ul style="list-style-type: none">Industrial visits are increased
5. Improve the participation of students in Internships and to enhance the standard of the academic project to meet industry standard.	<ul style="list-style-type: none">Motivated the students to undertake Real Time projects and encouraged the student to participate in Internships.
6. Student must be encouraged to do Master's and Research in premier institutions like NITs, IITs, IIMs etc.,	<ul style="list-style-type: none">Direction is given to the student to prepare for GATE, CAT, GRE, etc and encouraged them to access NPTEL courses to strengthen the basic concepts.
