NOTES ON AGENDA:

Agenda.1: Welcome by the Chairman of Governing Body.

The meeting is commenced at 10:00 A.M. with a welcome note by the Chairman of the Governing Body Sri. K. Ravi Kumar.

He expressed that the Management is very happy on conferment of Autonomous status to the College and with the guidance of all learned members of the Governing Body the college will be developed into one of the great institutions in the country.

Agenda.2: Opening remarks by the principal about the college.

Principal Dr. D. Jagadish has extended welcome to all the members of Governing Body and said that under the guidance of the learned members in this Governing Body the college will design a curriculum which suits the needs of industry as well as develop the knowledge of students.

About College:

The Chirala Engineering College was established in year 2001 by GSR & TSR Educational Society with a clear objective of providing quality technical education in tune with international standards and contemporary global requirements. The college is approved by All India Council for Technical Education (AICTE), affiliated to the JNTU Kakinada.

The management's commitment to excellence and relevance in technical education is reflected in creating infrastructure that is comparable to the best institutions. The college is having well managed computer labs, spacious classrooms, good laboratory Infrastructure, well-stocked library, wide and clean corridors and a spacious canteen that has set new standards in providing facilities to attract the students.

The 31-acre sprawling campus with lawns, gardens, playgrounds and a parking lot ensures the right academic ambience essential for a centre of higher education.

Application of modern technology in teaching- learning process and effective day-to-day governance of the college makes CECC a unique destination. Thus, within 24 years of its
